Certificate of GMP

We hereby certify that the "*Combe Just for Men*" (trade mark) product range is manufactured by our parent company in the USA. They are in accordance with the EEC Regulations relating hair dyes and the requirement stated in the Directives of the World Health Organisation (WHO) on **GMP**. The products are authorised to be marketed or distributed as cosmetic products in the European Market as well as in the USA or to be exported to other countries.

The raw materials used in the manufacture of the products are authorised in accordance with the EEC Regulations and are suitable for this specific purpose with regard to their purity and quality.

The production equipment used in the manufacture of medical products, commodities, cosmetics and foods is inspected at reasonable intervals.
